Trading Machinery Spares

TRADING MACHINERY SPARES

About Us

Established in 2009, Trading Machinery Spares (TMS) has grown to become a leading international company, with branches in the United Kingdom, UAE, Lebanon and Armenia.

TMS is a name synonymous with uncompromising reliability and outstanding quality.

From the very beginning we have focused on quality, and have remained committed to building long-lasting relationships with our customers and partners. Today, TMS is recognised internationally as a supplier of quality branded spare parts that our customers can rely on. Our experienced team will find you the right solution with no intermediaries, providing you with the best services and financial solutions to match your business needs.

TMS specialises in the sales of genuine & OEM spare parts for the construction, logging, mining, agriculture and transportation industries. We supply around 80% of many different brands of heavy equipment and truck machinery parts such as Caterpillar®, Volvo®, Komatsu®, Hitachi®, Liebherr®, MAN®, Mercedes®, Renault®, Iveco®, Scania® and many more.

In the minds of our customers we have emerged as the home of quality branded spare parts, supplying to over 36 countries worldwide.

WE HELP YOU EXCEED YOUR LIMITS

Construction

TMS works closely with multiple construction companies, supplying an extensive range of spare and replacement parts that keep their construction and earth-moving equipment profitable and efficient.

Some of the brands we stock construction spare parts for:

- Caterpillar®
- Komatsu®
- Hitachi®
- Hyundai®
- JCB®
- New Holland Construction®
- Case®
- Doosan®
- Daewoo®
- Hyster®
- Linde®
- Clark Fork Lift®
- Atlascopco®
- Toyota®

Mining

As our name suggests, one of our specialities is providing spare parts to mining companies across the world.

Some of the brands we stock mining spare parts for:

- Caterpillar®
- Komatsu®
- Hitachi®
- Volvo®
- Terex®
- Liebherr®
- Epiroc®
- Sandvik®
- Ingersoll Rand®
- Monark®

INDUSTRIES

Transportation

Today the demand for road transportation parts is greater than ever before. TMS distributes over 40 brands that cover over 30,000 products. We provide 100% genuine and well-known OEM Brands that keep your trucks on the highway without costing the earth.

Examples of truck brand parts we stock:

- Mercedes®
- Iveco®
- Daf®
- Renault®
- MAN®
- Volvo®
- Cifa®
- Astra®
- Putzmeister®
- Sino Truck®

Agriculture

Preventive maintenance can reduce tractor repair bills by 25%. TMS supplies the farming and agricultural engineering sector with genuine and alternative quality spare parts for new and past generations of tractors.

Examples of agricultural brand parts we stock:

- CNH®
- Newholland®
- Deutz Fahr®
- Massey Ferguson®
- John Deere®
- Case®

Generators

We have strategic partnerships with major international manufacturers and suppliers. This enables us to offer a complete range of genuine and OEM diesel and gas engine parts from Caterpillar®, Cummins®, Perkins®, Deutz® and FG Wilson®.

Our range of engine parts includes, but is not limited to:

- Piston/liners
- Piston rings
- Crankshafts
- Cylinder heads
- Bearing
- Oil & water pumps
- Coolers
- Turbo chargers
- Starters/alternators
- Drive belts
- Gasket kits
- Manifolds

Drilling Tools

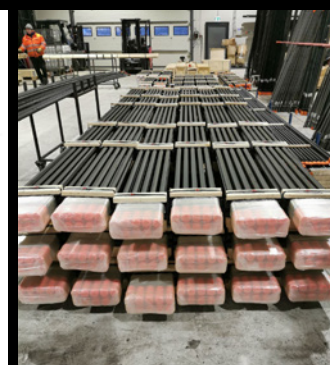

Our successful strategic partnership with Monark enables us to offer top hammer drilling tools for construction, quarrying and mining drill and blast applications, from the softest to the hardest rock conditions.

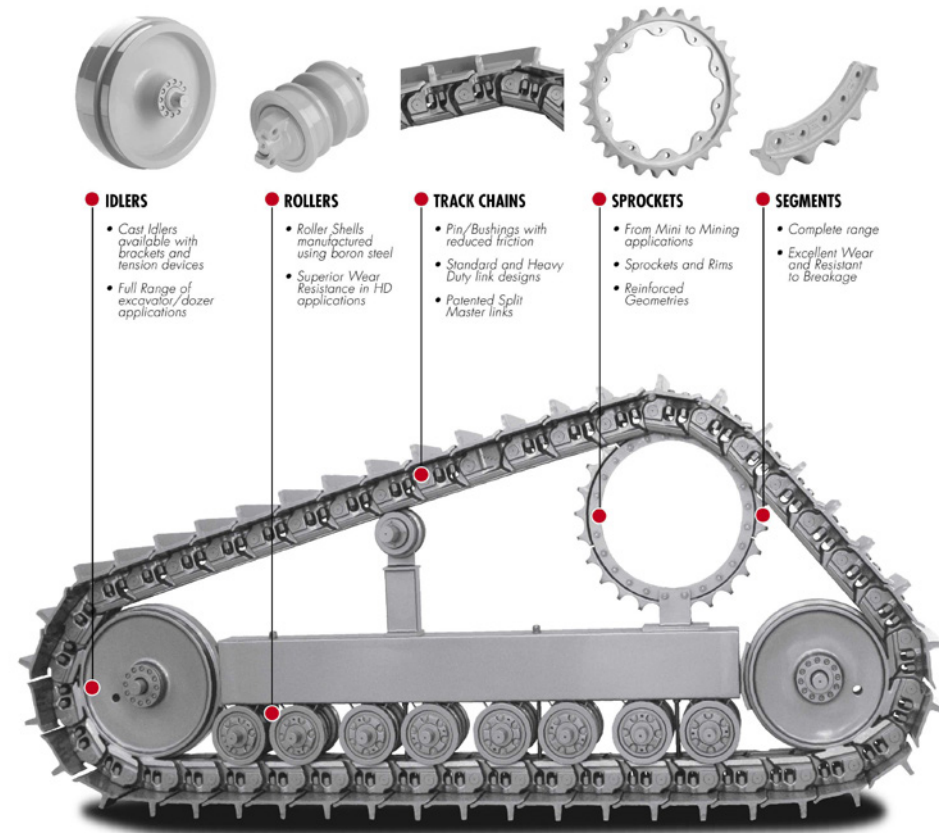

Extension rods & button bits:

- MT60
- R32
- T38
- T45
- T51
- T60
- R25

Shank adapter:

- Atlas Copco
- Cannon
- Joy
- Doofor
- Furukawa
- I.Rand
- Montabert
- Sandvik Tamrock

**IDLERS**

- Cast Idlers available with brackets and tension devices
- Full Range of excavator/dozer applications

ROLLERS

- Roller Shells manufactured using boron steel
- Superior Wear Resistance in HD applications

TRACK CHAINS

- Pin/Bushings with reduced friction
- Standard and Heavy Duty link designs
- Patented Split Master links

SPROCKETS

- From Mini to Mining applications
- Sprockets and Rims
- Reinforced Geometries

SEGMENTS

- Complete range
- Excellent Wear and Resistant to Breakage

Undercarriages

We work with original equipment manufacturers to provide our customers with high quality undercarriage components that can be adapted for different brands such as Caterpillar®, Komatsu®, Hitachi®, Liebherr®, Hyundai®, Volvo®, Doosan®, CNH®, JCB®, Kobelco® and Sumitomo®.

- Track Chains
- Rollers
- Sprockets
- Idlers
- Shoes
- Segments

Ground Engaging Tools (GETs)

We offer wear parts for numerous models from major manufactures such as Caterpillar®, Komatsu®, Hitachi®, Liebherr®, Hyundai®, Volvo®, Doosan®, CNH®, JCB®, Kobelco® and Sumitomo®.

The extremely varied mix includes:

- Blades
- End bits
- Profiles
- Armoured bars
- Wear buttons
- Sidebar protectors for buckets
- Heel shrouds
- Lip shrouds
- Teeth
- Adapters and many other components required for excavation or levelling, like rippers or blades for graders

Feurst Ground Engaging Tools

Feurst is the **French leader** in ground engaging solutions for mining, construction and earth-moving machines.

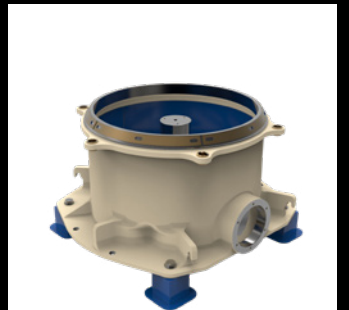

For over 30 years, **Feurst has innovated in the manufacture** of bucket teeth and adapters designed for quarrying and public works machines, wheel loaders and excavators from 1 to 350 tons.

Our ranges of bucket teeth, adapters and shrouds enable us to suit all of your requirements and applications, including the most demanding.

Parts for Crushers

We work with original equipment manufacturers to provide our customers with high-end quality crusher parts that can be adapted to different brands, such as Metso®, Parker®, Powerscreen®, Sandvik®, Telsmith® and Atlas Copco® PC

- Cone crusher parts
- Jaw crusher parts
- Primary gyratory parts
- Crusher liners
- Flywheels
- Conveyor belts

Demolition Equipment

Hydraulic Hammers

The **ITR Breakers** line is entirely designed, manufactured and assembled in Italy. This range offers two different kinds of breakers: **MonoBlack** and **NitroWhite**.

Grapples, Demolition Crushers and Shears

The new **ITR demolition equipment** line expands the range of tools for earth-moving machines to provide a complete solution to the customer.

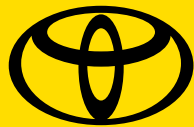

Entirely designed, manufactured and assembled in Italy, the ITR demolition equipment line includes **grapples, demolition crushers, shears and hydraulic rotating pulverizers**.

Toyota Spare Parts

Our international agreements and extensive buying network enables us to supply a complete automotive range, such as passenger 4x4s, utility vehicles and their associated spare parts. These vehicles can be converted and equipped to meet customers' needs.

Brands we can supply:

TOYOTA

SUZUKI

MITSUBISHI

Filters

To complement our range of replacement engine and machinery parts, we stock and distribute genuine and high-quality filtration products from class leading OE manufacturers: USCO-ITR Filters, HIFI Filters, Donaldson Filters, Fleetguard and Baldwin.

Mobile machinery filtration:

- Handling equipment
- Construction equipment
- Agricultural
- Parks and golf courses
- Ski lifts

Industrial machinery filtration:

- Dust extraction
- Machine tools
- Aeraulics
- Compressed air
- Hydraulics
- Liquids

Spare Parts

Whether for old or modern trucks, forklifts, excavators, earthmovers or mining machinery, TMS has the technical expertise and range of products to help you to find the right solutions at the right price.

Our range currently includes over 30 million parts, including:

- Engine parts
- Turbos
- Hydraulic parts
- Electric parts
- Gasket kits
- Injection pumps
- Injectors
- Hoses
- Bearings
- Crankshaft
- Clutch parts
- Cooling system parts
- Breaking system parts
- Torque converters
- Callipers

MANY PARTS – ONE PARTNER

Tyres

TMS offers a comprehensive range of tyres and a wide array of patterns for commercial and heavy mining construction.

On the commercial side:

- Medium radial truck tyres
- Medium radial range of bus tyres

On the industrial side, we offer a full range of off-road (OTR) radial and bias products:

- Dump trucks
- Loaders
- Cranes
- Mining equipment
- Lifting equipment
